To Whom It May Concern:

It is with pleasure that I recommend Theresa Traulsen to your organization. As the Senior Director of Dining Services at The Ohio State University, I worked closely with Theresa to collaborate on a large project for my organization. I found her to be extremely professional, along with being fully committed to the success of the program. I was also impressed with her vast knowledge of the concessions industry and her personal work ethic was a huge asset to the project. She is a dedicated and passionate professional with many years of experience in her industry.

Sincerely,
