Dear Theresa:

Thank you for the time you and Dean spent with us at the end of our baseball season and for the comprehensive final report that you prepared.

I was impressed by your thorough examination of our concession operation and the many great ideas and suggestions you made to help us improve.

I am excited for next season when we can implement the ideas you gave us.

Again, thank you and I look forward to working with you on an expanded basis in the future.

Sincerely,
